PAPERS SUBMISSION

Papers submitted for presentation should contain original research, not published or being considered for publication elsewhere.

Full papers should be submitted using the Easy Chair online submission system. The papers will undergo a peer review process, coordinated by the International Scientific Committee. The corresponding author of each paper will be notified of the result by e-mail. All materials must be written in English. If the paper is accepted, at least one of the authors must attend the workshop and present the paper.

All accepted papers will be published in the conference proceedings which will be submitted for indexing in IEEE Xplore database.

The participants must prepare their paper following IEEE Conference Submission Standards.
